

# INSPIRING PERSON RESEARCH QUESTIONS

- Who have you chosen to research?
- What were this person's significant achievements?
- What challenges or setbacks did this person face?
- How would society be different if they had not existed?
- How did this person inspire others by what they achieved?
- What needs did your person fill through their actions?
- Based on your research about this person, what can you conclude about their personality?
- How do you think this person would have inspired students of your age?
- How did the challenges this person faced affect their life?
- How are this person's actions beneficial to us?
